CHECKING-IN

Inside Johnson-Whittle Hall there is a 24-hour service desk that will have your check-in materials. The exterior doors are locked; please either knock on the door or use the call box and dial 4-5646 (4-JOHN). Tell the hospitality assistant at the desk your name and the group you are with; they will buzz you in. You will sign for and receive one key, a meal/access card, and possibly a parking permit. The meal/access card is for Johnson-Whittle Hall and your meals in the dining hall. If you are parking, please make sure that you pay for visitor parking and then move your car to the appropriate lot according to your parking permit. The Department of Transportation is vigilant, so you must ensure that your parking is paid for and that you are only parking where authorized.

JOHNSON-WHITTLE HALL

Johnson-Whittle is home to a 24-hour hospitality desk along with additional community meeting spaces like lounges on every floor and a multipurpose room off of the main lobby. Laundry rooms are located on every floor. Use your access card to gain entry to this building.

PARKING

If you will be keeping a car on campus, you will need a parking permit. Please discuss parking permits with your program coordinator prior to check-in. During check-in, inform the assistant at the hospitality desk that you need a permit. Summer parking permits allow participants to park in many numbered lots across campus, but Lots 2 and 9 are the closest lots to your residence hall. Parking permits must be displayed face-up on your dashboard at all times, or you will be ticketed. If your parking permit is faded, please report this to Swati Patel (301-440-9277).

Each bedroom is either single-occupancy or double-occupancy. These rooms are fully furnished with air-conditioning, an XL twin-sized bed/mattress, dresser, desk, and a chair.
